Dear Folsom Families,

It is with excitement that the Folsom staff welcomes your child and family back to school for the 2020-2021 school year. This year, we are eager to meet the 48 new students that will soon be recognized as Falcons and become a part of this special school-community. The school theme for this year is ***We Are All in This Together*** from High School Musical! The verse from the original soundtrack states:

We're all in this together  
When we reach  
We can fly  
Know inside  
We can make it  
We're all in this together...

The verse above speaks volumes to the current climate in the world and the choice we have in working through such a challenging time – together as a team. First and foremost, we are committed to supporting your son/daughter in-person and remotely. It is our mission to foster a learning environment in which every student has the maximum opportunity to achieve academic excellence. We also understand the importance of creating an environment that is welcoming and inviting, accessible, safe, and secure for students, staff, and families.

Cooperation and communication are essential to providing your child(ren) with the tools needed to reach his or her fullest potential. Positive communication between home and school is an integral part of your child's total educational experience. Through a partnership between home and school your child will gain the knowledge and experiences needed for success.

Folsom Elementary School welcomes the following new staff members:

Teacher	College/University	Grade/Content Area
Ms. Amie Mauro	Roger Williams University	5 <sup>th</sup> Grade ELA
Ms. Kimberley Nemerov	Elizabethtown College	7 <sup>th</sup> Grade Special Education

We are currently advertising for a 2<sup>nd</sup> grade elementary position with the recent resignation of Mrs. Pavlovitch. Mrs. Pavlovitch will be missed and we wish her the best in her new position which is closer to her home in Pennsylvania. Our goal is to have a teacher in the 2<sup>nd</sup> grade classroom by the start of the school year. The new additions will continue the success at Folsom by raising the bar of excellence for our students.

### **First Day of School**

The first day of school for all students is **Tuesday, September 8, 2020**. Cohort B students will be in-person for the first day of school while Cohorts A and C will learn remotely.

Students attending school in-person are able to enter the school at 8:20 am. The first day of school is a full day. Dismissal time for students is at 3:10pm.
