ACADEMICS AND GRADING

ACADEMIC CHEATING/PLAGIARISM

Students who plagiarize academic work in any way will receive an *automatic "0"* for that particular assignment, and may face further discipline per Code of Conduct.

ADVANCED CLASSES (8TH GRADE ALGEBRA)

Students in our 7th grade Math sections are given a placement test. In addition to this assessment, MAP scores, trimester final grades and previous year NJSLA scores will be a part of the criteria to place your child in the proper 8th grade section. This criterion is put in place to ensure all students are on track to attain their highest achievement and learning success.

GRADING SCALE

A= 93-100 - Superior

B=85-92 - Above Average

C=77-84 - Average

D=70-76 - Below Average

F=69 and Below - Failure

HOMEWORK

Research has shown that parental involvement in a child's learning is a key factor in school achievement and that students who complete homework assignments have higher test results. To provide your child with the best possible education, homework assignments must be completed to the best of your child's ability. This is an important extension of the school day and will cultivate an appreciation and prowess for learning. These are the guidelines we follow at Folsom School and the expectations for ourselves and for our students.

TEACHERS ARE EXPECTED TO:

- Prepare the students for assignments with instructions, materials, and explanation.
- Consider the capabilities of the students.

STUDENTS ARE EXPECTED TO:

- Write down their assignments in the agenda book and make sure they understand all directions.
- Submit assignments to teachers on time.
- Check with the teachers promptly for assignments missed and turn them in as directed.
- Take pride in the quality of work passed on to the teachers.
- Follow the district acceptable use policy when completing work on the computers or school laptops.

PARENTS ARE EXPECTED TO:

- Provide a study area free from distractions.
- Encourage children to do their best, be organized, and pass their work in on time.

HONOR/MERIT ROLL (Grades 3-8)

Honor/Merit Roll will be posted following each report card period and will be based upon the following standards:

Honor Roll - All A's in Math, ELA, Science and Social Studies.

Merit Roll - All A's and B's in Math, ELA, Science and Social Studies.

INTERIM REPORTS/REPORT CARDS

Parents and guardians are expected to check their child's grades on the Parent Portal regularly. All student Interims Reports and Report Cards are communicated through the Parent Portal. Due to the immediacy of Parent Portal, report cards and progress reports will only be issued to those who request them. To request copies of your child's report cards/progress reports or to get more information and assistance with Parent Portal please call the Main Office.

INTERVENTION & REFERRAL SERVICES (I&RS)

I&RS is designed to assist students who are experiencing learning, behavioral, or health related difficulties. Also, I&RS assist the staff that have difficulties addressing student learning, behavioral, or health needs. The I&RS Team's purpose is to develop and implement action plans which will provide appropriate school and community interventions or referrals to school/community resources based on the collected data and desired outcomes for the student. Parents/Guardians are actively involved in this process.

REALTIME PARENT PORTAL

As a parent or guardian you have access to current information regarding your student's schedule, attendance, and grades. In addition, this portal provides you with information from the Superintendent and your child's teacher to keep you up to date with school and classroom issues. If you have any questions or concerns regarding Realtime Parent Portal please contact the Main Office.

RETENTION

Students who receive failing final grade averages in two or more major academic subjects will be retained in the same grade for the following school year. Summer school information, if appropriate, will be provided by the Main Office.

TALENTED AND GIFTED PROGRAM(TAG)

All K through 8 students are assessed annually for possible identification as Talented and Gifted. Depending on the grade level of the student, multiple indicators may include standardized tests, classroom performance, teacher surveys, and specific screening tools. While students in grades K through 5 do not leave the classroom for separate instruction, the identification process ensures that the learning needs of highly capable students are met in the inclusive setting of the K-5 Enrichment Program.

ATTENDANCE

Compulsory attendance at school is a longstanding state policy and has been upheld by the court of New Jersey and the U.S. Supreme Court as a matter of public concern and legislative regulations. Consequently, there is an impelling responsibility upon the parents and student for the student to attend school as scheduled. Therefore, the Folsom School District cannot condone or permit absences from school for minor reasons and will not issue credit if minimum pupil attendance requirements are not met.

Pupils are required to attend school regularly in accordance with the laws of the state. A pupil will be considered to have attended school if he/she has been present at least four and a half (4.5) hours during the school day.

A pupil not present in school because of his/her participation in an approved school activity will be considered to be in attendance.

An Excused absence is an absence for one or more of the following reasons:

1. The pupil's illness. (must be documented with a physician's note for Grades 5-8 and a parent/physician's note form Grades PK-4)
2. Family illness or death. (appropriate documentation needed)
3. Educational opportunities. (appropriate documentation needed)
4. Excused religious observances
5. The pupil's suspension from school.
6. The pupil's required attendance in court. (appropriate documentation needed)
7. Interviews with a prospective employer or with an admissions officer. (appropriate documentation needed)
8. Necessary and unavoidable medical or dental appointments. (appropriate documentation needed)

It is our understanding that the reasons listed above do occur during the year. However, these absences must be kept at a minimum. All notes must be turned in by the end of the month in which the absence occurred, or it will not be accepted for the absence.

AN UNEXCUSED ABSENCE IS A PUPIL'S ABSENCE FOR ANY REASON OTHER THAN THOSE LISTED ABOVE. FAMILY VACATIONS ARE ALSO UNEXCUSED ABSENCES.

UNEXCUSED ABSENCES Grades (5-8)

- When a student acquires more than 10 unexcused absences the student will be required to attend credit completion in order to satisfy the attendance requirement of the classes involved. If the student does not attend credit completion, they will be retained.
- When a student has acquired 20 unexcused absences, the student will be retained.
- When a student acquires a total of 35 unexcused and excused absences the student will be retained. Excused absences when the students receive homebound instruction will be excluded from the above total.

UNEXCUSED ABSENCES Grades (PK-4)

When a student acquires more than ten (10) unexcused absences, the student would be in jeopardy of not being promoted. Administration and the teacher will make the determination as to the appropriateness of the promotion. Note: Summer school is not a consideration.

STUDENT/PARENT RESPONSIBILITIES

- Students shall attend school daily unless the absence is excused.
- Parents shall ensure that their child attends school punctually and daily and be aware of all absences.

NOTICE TO SCHOOL OF A PUPIL'S ABSENCE

Parents shall call the school the morning of the pupil's absence, and the pupil shall submit a note to the Main Office upon their return.

PARENT/DOCTOR NOTES

Parent notes will not be accepted to excuse any absences for students in Grades 5-8. Excused absences will require a doctor's note, or other written documentation needed to prove the absence.

Doctors' notes will only be accepted for specific days of absences. No "blanket coverage" notes will be accepted. The school physician may be asked to review any questionable medical situations. Doctors' notes must be given directly to the Main Office. Altered notes will not be accepted. When verifying notes with a doctor's office, if it is discovered that the note has been forged or stolen, the day will become an unexcused absence. No subsequent notes will alter that unexcused status. Students will be referred to Administration.

TRUANCY

Truancy is a pupil's absence from all or part of the school day without the knowledge of the pupil's parent/guardian. A pupil who leaves school without permission when school is still in session will also be considered truant and consequences from the Code of Conduct will be applied.

DENTAL APPOINTMENTS

Dental/orthodontic appointments should be scheduled during after school hours whenever possible. When unable to do so, the student is expected to come to school, sign out for the appointment and then return to school, or sign in late with an excuse from the dentist. Full days will not be excused for dental reasons unless specified by the dentist's note.

FAMILY VACATIONS

Family vacations ARE NOT an excused absences. Families are encouraged to schedule their vacations to coincide with school holidays. This will eliminate the need for students to miss valuable class time. Students will not be given additional excused absences for family vacation. Students must be sure that their absences do not jeopardize their credit standing.

ABSENCES AND INSTRUCTION

The parent/guardian of students who anticipate an excused absence of three (3) or more school days should contact the Main Office to request such homework assignments.

HOMEBOUND INSTRUCTION

A pupil who anticipates an excused absence due to a temporary or chronic health condition may be eligible for home instruction. The parent/guardian must request home instruction in writing to the Superintendent. This request will be accompanied by a signed physician's note stating the illness/diagnosis and the anticipated length of absence, including a

specific beginning and ending date. The request for home instruction must be approved by the school physician. Homebound instruction will be considered an excused absence.

MAKE-UP WORK

Pupils absent for any reason are expected to make up the work missed. The pupil is responsible for requesting missed assignments and any necessary assistance required. Pupils choosing to cut classes or be truant will not be permitted to make up work missed during that time. Pupils may complete assignments for time missed because of action initiated by the administration, i.e. suspension.

Note: For each school day a student is absent, he/she will be given equal time to make up missed assignments.

ABSENCES AND PARTICIPATION IN SCHOOL EVENTS

- If a student is absent from school the day of an athletic event, club meeting, or performance, the student cannot participate in that event unless the absence has been cleared in advance by Administration.
- A student must be in school in order to attend a practice or activity that day.

APPEALS

A pupil who has been denied promotion for excessive absences may appeal that action in accordance with the following procedures:

1. The pupil and parent shall file a written appeal to the Superintendent within five (5) school days of receiving notice of the action.
2. The I&RS Team shall decide the appeal and inform the pupil and parent in writing within seven (7) working days of the meeting.
3. The pupil and parent may appeal an adverse decision of the I&RS Team to the Superintendent within seven (7) calendar days of the I&RS Team's decision.
4. If the pupil and parent do not agree with the Superintendent, an appeal can be made within ten (10) calendar days to the Board of Education.

LATENESS/TARDY (GRADES 5-8)

It is important that students arrive at school on time. Students who are tardy must sign in at the Main Office and obtain a pass to class. Tardy students will be subject to the following disciplinary action:

- 4th offense - Administrative Warning Letter
- 5th to 20th offense - Minimum 1 Administrative Detention
- 21st offense + - Minimum 1 In-School Suspension, up to a maximum of Out-of-School suspension for "excessive lateness" and parent conference.

EARLY DISMISSAL

Requests to sign out early will be granted for confirmed medical and dental appointments. In case of illness, a student must report to the Nurse's Office and may be sent home by the nurse after a parent is contacted. Students may not sign themselves out of school. If a student is being signed out, the following procedure will be followed:

1. The parent/guardian responsible will report to the Front Desk and ask for the student. Students will not be released to anyone except the legal parent or guardian unless prior arrangements have been made in advance.
2. Parent/Guardian must present a valid photo Identification Card (ID).
3. The student will report to the Front Desk and officially sign out. Students who do not officially sign out will be marked as truant.
4. Students are responsible for all missed work.
5. Students must be present 4.5 hours to receive credit for the day.

CODE OF CONDUCT/DISCIPLINE

The consequences of disciplinary action stated in the following chart will be imposed. In the daily operation of a school, it is impossible to list every potential infraction, which may occur. Therefore, in situations where these circumstances exist, a determination by an administrator other than that listed below may be imposed.

Please note that any major infraction during the school year, particularly in the Fourth marking period, may lead to the loss of end of the year activities that may include, but are not limited to: end of year picnics, school trips, award ceremonies, school dances and graduation.

IT IS THE STUDENT'S RESPONSIBILITY TO BECOME FAMILIAR WITH ALL INFORMATION IN THE STUDENT HANDBOOK. Each student is expected to conduct himself/herself in an orderly fashion and act with due regard for the educational process of the school.

The best discipline is self-discipline, and students are encouraged to think and act wisely and realize the consequences of all actions. When students fail to discipline themselves, they shall be turned over to the designated administrator, personnel or civil authority.

Teachers are primarily responsible for classroom management and discipline in their assigned classes and duties. All staff members share responsibility for supervising the behavior of students. All students must follow any reasonable request or directive by any staff member during the school day or at any school sponsored activity.

SEARCH AND SEIZURE

School authorities have the legal responsibility to maintain order and decorum in the schools, and to protect students from harming themselves or others. An administrator may find it necessary to search students and remove from their possession items, which may be potentially harmful, or may implicate them in an investigation. School lockers and desks remain the property of the school district even when used by students. Lockers and desks are subject to administrative inspection in the interest of school safety, sanitation, discipline, and enforcement of school regulations and to search by law enforcement officials.

TYPES OF DISCIPLINE

The following are TYPES OF DISCIPLINE that may be enacted:

1. **TEACHER DETENTION:** Teachers may issue detention after school or during lunch/recess. Parents/guardians will be notified in advance of their child being issued a detention.
2. **ADMINISTRATIVE DETENTION:** This form of detention is issued by administration to students involved in a serious offense. These detentions can be in several forms such as lunch/recess, 1 hour after school and 3-hours after school. Students must report for detention on the day assigned and will be expected to bring work or reading material to the detention. Parents/guardians will be notified in advance of their child being issued a detention.
3. **IN-SCHOOL SUSPENSION (ISS):** In-school suspension is a serious disciplinary consequence. Students should report to the Main Office with schoolwork for the day during homeroom. Students are not to participate in after school activities and sports the day of an ISS. Parents/guardians will be notified in advance of their child being issued ISS.
4. **BUS SUSPENSION:** Any violation of the school bus rules may result in a bus suspension. Students will not be able to ride the bus during the designated time. Parents/guardians are responsible for transporting the Student to and from school during the time of bus suspension. If parents/guardians cannot provide transportation to and from school, this day is not an excused absence.
5. **OUT-OF-SCHOOL SUSPENSION (OSS):** This is the most serious disciplinary action, which may be imposed by Administration. The Student may not be permitted to return to school until a parent conference is conducted. Students are not to participate in after school activities or return to school for after-hours events the day of suspension. When a student is suspended from school, he/she may not be in the building or on any school district grounds at any time during the length of the suspension. Students who come on school grounds during a suspension will be subject to further disciplinary action, possible arrest and charged with trespassing.
6. **ADMINISTRATIVE REVIEW:** Further discipline deemed necessary and issued by the Superintendent at his/her discretion. All instances of students facing charges by law enforcement will be reviewed for further disciplinary action.
7. **PROBATION AND/OR BEHAVIORAL CONTRACTS:** Students may be placed on probation and/or a behavior contract if: (a) they have an accumulation of minor violations and/or (b) commit a serious offense.

Probation/behavior contracts will outline strict standards that the student is expected to follow. During the period of time that a student is placed on probation/behavior contract, it is understood that he or she must meet all outlined standards. Failure to meet the standards established by probation/behavior contract will result in further, more severe disciplinary procedures, including but not limited to loss of privileges (school activities, trips, school dances, assemblies, and/or awards/graduation ceremonies) and/or consideration for alternative placement.

8. **ADMINISTRATIVE RESTRICTED LIST:** A student may be placed on the Administrative Restricted List at any time during the marking period by the Administration if the infraction of school rules or regulations is severe enough. All students on the Administrative Restricted List may be prohibited from participating in all extracurricular activities. This includes all athletic events, dances, plays, assemblies, award ceremonies and any class trips. Students on the Administrative Restricted List are not to be loitering within the vicinity where any school activity is taking place.

*First suspension - 5 days

*Second suspension - 10 days

*Third & subsequent suspensions - 23 day

NOTE: (1.) Eighth graders placed on the Administrative Restricted List during the fourth marking period may at the discretion of the administration lose their privilege to participate in graduation ceremonies. (2.) The number of restriction days is cumulative with each offense.

All offenses committed in school or on school grounds that violate local, state, or federal laws will be referred to the police for appropriate action. Continued discipline problems and acts that endanger the health, safety, and welfare of students, parents, and/or faculty may require the school administration to take further action. Such action may include, but not be limited to, referral to police.

Students who consistently require disciplinary intervention by administration are subject to progressive discipline and could lose privileges, including but not limited to: activities, sports, after-school events, trips, assemblies, etc.

DRESS AND GROOMING

The faculty and administration of the Folsom School District believes that personal appearance begins with tasteful dress and common sense. Appropriate dress is instrumental in creating a feeling of pride among the students of Folsom. This results in better behavior, greater school spirit, and higher academic achievement.

Students are expected to adhere to the dress code for school and school sponsored activities, such as concerts, plays, talent shows, dances, etc. The dress code also remains in effect for students attending a school-sponsored trip, unless the trip's sponsor has requested and received specific modifications from the administration due to the nature of the outing.

Any form of attire or style of grooming that is immodest, deemed unsafe or which adversely affects classroom atmosphere, or which creates a behavioral problem, will be considered unacceptable. Students are welcome to express their individuality and/or ethnic pride through clothing, provided that it meets the following guidelines developed by faculty and administration.

Students will **NOT** wear:

1. Extremely low-cut, tight fitting or transparent clothes, bare midriffs (one-inch leeway).
2. Clothing (i.e. skirts, dresses, and shorts) that end higher than mid-thigh.
3. Strapless tops or tank tops that have less than a three-finger span at shoulder.

7. Nonprescription sunglasses, glazed, and tinted glasses, except as prescribed by the student's physician. Blue-light tinted glasses are permitted during computer use.

If seen, these items may be confiscated and held for thirty days by the administration. Hooded sweatshirts/clothing are permitted; however, students are not permitted to wear the hood in school.
9. Undergarments worn as outer garments.
10. Spiked jewelry, wallet chains or other accessories deemed dangerous to others by the administration.
11. Garments with graphics that suggest obscene or offensive material, which detracts from the educational process, and is therefore inappropriate. Examples include but are not limited to:
 - a. Drawings and/or slogans that promote the use of drugs, alcohol, and/or tobacco.

13. Costumes, capes/flags or face/body paint of any kind unless permission given by administration.
14. Garments, attire, or style of grooming that disrupts the educational process as determined by administration.

*****Students who violate the dress code will be referred to administration for appropriate action. This may include the student changing his/her dress, or being sent home from school. If you have any doubt as to whether or not a specific article of clothing may be a violation of the dress code, do not wear it until you are certain it is acceptable. Not all circumstances are necessarily covered by this dress code and all final decisions will be at the discretion of the administration. Teachers who question the appropriateness of a student's attire should send that student to an administrator for clarification. *****

HARASSMENT, INTIMIDATION OR BULLYING

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation or bullying.

"Harassment, intimidation or bullying" means any gesture, written, verbal or physical act or any electronic communication, as defined by N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

- 1) Is reasonably perceived as being motivated by either any actual or perceived characteristics, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
