

HOLIDAY FOOD DRIVE

Dear Folsom Parents,

It is once again that time of year for Folsom School's Annual Food Drive, coordinated with the assistance of Folsom's Student Council. All food collected will be organized and placed into baskets for community families in need this holiday season. The Folsom School Food Drive has helped a number of families throughout the past several years, and we are hoping to continue that tradition this year.

Please use the chart below to have your child bring in the appropriate donation food item. **Students may begin to bring in food items on Monday, November 11, 2024. All food items must be in by Monday, December 9, 2024.** We hope to make this year's Food Drive another great success!
