May 5, 2020

Dear Folsom Families,

Yesterday Governor Murphy announced that all New Jersey Schools will be closed for in-person instruction for the remainder of this school year. Remote learning will continue for Folsom students through Monday, June 15th.

While this decision was inevitable, we still held onto a thread of optimism for a return to our “normal” this school year. On behalf of the Folsom staff, our hearts go out to the students not being able to see their classmates or teachers in person just one more time this school year and especially to our 8th graders missing out on their dinner cruise, awards ceremony, and graduation. As sad as this is for many of us, it is important that we continue to stay optimistic to the new possibilities ahead.

As a staff, we will do our best to create virtual ceremonies and events for our students for the conclusion of this school year. It is important to all of us for our 8th graders to have a memorable and positive experience as their years at Folsom draw to a close.

In the coming weeks, information will be forthcoming on plans to collect Chromebooks and learning materials along with giving students and staff a chance to collect any personal belongings that remain in Folsom School.

Information will also be sent regarding plans for extended school year for eligible students and summer programs if both programs are able to run, respectively.

In closing, I want to thank our teachers, staff, parents, and extended families for their continued efforts during unprecedented times in our world. We stand together during all seasons. Go Falcons!

Respectfully,

Matthew Mazzoni, Ed.D.
