Dear Parents/Guardians,

I hope this message finds you well. I am writing to inform you about an incident that occurred this morning at Folsom School where our lock down system was activated.

I want to reassure you that safety and well-being of our students and staff are always our top priorities. When the alarm was activated, our staff followed the necessary procedures promptly and efficiently to ensure the safety of everyone on campus. Students and staff remained calm and cooperative throughout the situation.

After thorough investigation by our School Resource Officer and local law enforcement, it was confirmed that there was no credible threat to the school. We are still investigating the triggering of the alarm to determine the malfunction and how to remedy for future use.

I want to thank you for your understanding and cooperation during this time. I also want to commend our students for their maturity and cooperation during the lockdown. It is through preparedness and collaboration that we can ensure the safety of our school community.

Please feel free to reach out if you have any questions or concerns. We will continue to prioritize the safety and security of our students and staff, and we appreciate your ongoing support.

Sincerely,

Kevin Fricke
Superintendent
